

Summary | Week 4 Document

Scrum Master for next week?

- Darrington Henderson

List at least 5 things you did well and will continue doing?

1. Overcoming personal challenges
2. Overcoming discrepancies
3. Working towards finishing tasks on time
4. Data Wrangling
5. Planning

List at least 3 things you did poorly and how you will mitigate them next sprint?

1. Not having Daily Standups/reviews
2. Not having all of my Datasets fully wrangled
3. Solving for Analysis (Canonical Correlation)

List shout-outs to anyone for excelling in any way?

- This for this week, I'd like to shout out myself again for finishing half of my Data Wrangling tasks

What did you learn this week?

- What I learned this week is that I need to be sure to consistently review my work everyday in order to stay on top of my daily/weekly tasks and finish my final project on time so I can graduate

What did you learn as an individual this week?

- What I learned as an individual this week is that I must stay on top of my team even if they aren't fully staying on top of things themselves
