

Summary | Week 5 Document

Scrum Master for next week?

- Darrington Henderson

List at least 5 things you did well and will continue doing?

1. Communicating
2. Completing Daily Tasks
3. Data visualization
4. Data Wrangling
5. Planning for our presentation

List at least 3 things you did poorly and how you will mitigate them next sprint?

1. Partially completing tasks
2. Completing Data Visualizations
3. Solving for Analysis (Canonical Correlation)

List shout-outs to any team members for excelling in any way?

- For this week, I'd like to shout out myself again. As the weekly SCRUM Master and staying on top of daily tasks

What did you learn this week?

- What I learned this week is that I need to be sure to consistently meet everyday in order to stay on top of my daily/weekly tasks and finish my final project on time so I can graduate on time

What did you learn as an individual this week?

- What I learned as an individual this week is that I must stay on top of my team even if they aren't fully staying ontop of things themselves
